Program Name: Alliance for Substance Abuse Prevention, Inc	Date Submitted: 10/3/18	Date Due: 11/3/18
---	-----------------------------------	-----------------------------

Administrative POC-1	
Rule #: 67:61:11:08	<p>Rule Statement: Quality assurance and evaluation. An agency shall conduct a quality assurance review of its prevention programming to monitor, protect, and enhance the quality and appropriateness of its programming and to identify qualitative problems and recommend plans for correcting each problem. The agency shall conduct the following:</p> <ul style="list-style-type: none"> (1) Annual satisfaction surveys of all individuals or stakeholders who requested and participated in prevention services; (2) Participant evaluations after each prevention presentation the agency provides; and (3) Pre- and post-tests for all evidence based curricula presented to individuals. <p>A summary of these reports shall be made available to the board of directors or agency staff annually, and to the division and community members upon request.</p>
Area of Noncompliance: The agency is not completing pre- and post-tests after all curricula is presented.	
Corrective Action (policy/procedure, training, environmental changes, etc): ASAP will create a pre and posttest to be given before all curricula is presented based on what will be covered in the presentations.	<p>Anticipated Date Achieved/Implemented:</p> <p>Date Ongoing</p>
Supporting Evidence: Attached Pre - post tests developed.	Person Responsible: Linda Colhoff-Glover
How Maintained: Pre and posttests will be compiled and a compilation report will be kept.	<p>Board Notified:</p> <p>Y <input checked="" type="checkbox"/> N <input type="checkbox"/> n/a <input type="checkbox"/></p>
